A hand-drawn schematic diagram on lined paper, oriented vertically. The diagram depicts a mechanical system with several interconnected components. At the top, a circular component labeled 'C.A.' is connected to a vertical shaft. This shaft passes through a component labeled '196' and is further connected to a horizontal shaft labeled '101'. The horizontal shaft '101' is part of a larger assembly that includes a component labeled '108' and a series of three circular elements, each containing small dots. To the right of this assembly, there is a component labeled '198' and a vertical shaft labeled '145'. At the bottom, a rectangular component labeled 'C' is connected to a horizontal shaft labeled '22'. The entire system is enclosed within a dashed rectangular boundary. Various other labels and lines are present, including '191', '192', '193', '194', '195', '197', '199', '200', '201', '202', '203', '204', '205', '206', '207', '208', '209', '210', '211', '212', '213',
